Dear Charlie:

Your invoices numbered 17354 and 17355 which bills for shipping charges are being returned to you for compliance with letter DPD-0501-60 dated 19 January 1960 which states in part:

"It is requested that you issue once each month a Priced Exhibit for each customer listing the total of all shipping charges incurred during that month. Each priced Exhibit should be substantiated with receipted shipping documents and/or evidence of payment of shipping charges etc...."

Since we cannot process the attached invoices, we are returning them to you for retention and resubmission after compliance with the above paragraph.

Yours very truly

Doug
